## COCKPIT CORNER – by Brian Sherman, [did4ways@aol.com](mailto:did4ways@aol.com)

The AMA National Aviation Day, 8/16, is just around the corner and the club is ramping up to ensure a successful fund raiser for the Wounded Warrior Project. Copies of the promotional poster shown below are available at the field in the Frequency Box. Please help us spread the word by taking some and posting them in VFW halls, stores, schools; basically anyplace that is frequented by people likely to be interested in helping out.

Joe Plechavy is bringing his fully restored WWW II JEEP to display and help set the theme for the event.

Posters will be available at the club meeting on Saturday August 9<sup>th</sup>. The Sherman clan, however, will not be able to attend as our annual camping trip coincides with that day.

Come join the August meeting, bring your planes and take some posters!

Until next time keep the cockpit up and be safe.

### Editor;s Note

Please help by contacting other clubs where you are members, and ask them to join us on this National Model Aviation Day. If you know any veterans, recent and past, ask them to come visit us at the field from 12:00 - 4:00 PM on Saturday August 16, 2014.

Any support we can get is welcome. Remember this is a national event. Academy of Model Aeronautics member clubs all over the United States are holding Fun Flies just as we are doing on that Saturday, some more elaborate, some just as modest.

## Hats For Sale

Scott Voth is the person to see if you are interested in a new club hat. The cost is \$10.00, the price the club paid to have them produced by Valley Athletic Supply Co. of Lansford.

The two styles were decided upon by the members present at an earlier meeting this Summer.

Get your new hat at the next meeting. If you are like me, it is time for a new one because the old hat is sweat stained, and the “oil needs changing.”

Scott now has a few to sell since he picked up the new order.

If you have not purchased a T-Shirt to wear on National Model Aviation Day, August 16, 2014, Brian Sherman still has a few for sale. The cost is \$10.00. Although Brian will not be at this month's meeting, he will have them when he comes to the field on National Aviation Day.

Remember the proceeds from the sale of these T-Shirts benefits the Wounded Warrior Project.

A poster for National Model Aviation Day. At the top, it says 'NATIONAL MODEL AVIATION DAY' in large yellow letters, followed by 'AUGUST 16, 2014' in yellow. Below this, a large yellow '\$10' is displayed. Two white T-shirts are shown on mannequins. The left shirt has a logo that says 'AIR SUPPORT' in large black and yellow letters, with 'NATIONAL MODEL AVIATION DAY' and 'AUGUST 16, 2014' above it, and 'IN SUPPORT OF THE WOUNDED WARRIOR PROJECT' below it. The right shirt has a logo that says 'NATIONAL MODEL AVIATION DAY' in black, with 'AUGUST 16, 2014' above it, and 'IN SUPPORT OF THE WOUNDED WARRIOR PROJECT' below it. Below the logos, there is a section titled 'SPONSORED BY' with four boxes, each labeled 'MAJOR SPONSOR'. At the bottom, it says 'Buy one or a dozen T-shirts to sell at your event! Proceeds benefit the Wounded Warrior Project. Shirts go on sale April 15 available in men's sizes S-4XL.' and '\*Shirts are available without the Wounded Warrior Project inscription and date for those holding events in support of another charity or on a different date.' The AMA logo is in the bottom right corner. The website 'nationalmodelaviationday.org' is at the bottom in large yellow letters.
