

# Whirlwind

Newsletter of the Beltzville Flying Machine Society

January, 2018

**COCKPIT CORNER** – by Brian Sherman, [did4ways@aol.com](mailto:did4ways@aol.com)

**HAPPY 2018!**

See you at Saturday's meeting.

Until next time keep the cockpit up and be safe.

## Elections

December's meeting was devoted to the election of officers to guide the club during the year 2018. The incumbents, Brian Sherman, President, Jack Mertz, Vice President, Scott Voth, Treasurer, and Scott King, Secretary have all been voted in to continue in their current positions.

## Dues

Once more we ask you to dig deep and pay your 2018 dues. This is a reminder that Scott Voth will be collecting dues until January 31, 2018. You can pay at the next meeting, or you can also mail a check to **Scott Voth (BFMS) at P.O. Box 74, Palmerton, PA 18071**. Dues are still \$35.00 for the year, that is, unless you are a family then just add \$12.00 to the standard amount, and you are paid. There is no better bargain than flying at the Beltzville Flying Machine Society field for so little.

## Hunting Season

Please continue to exercise caution when flying at the field. Hunters may be in the vicinity of the field so wear a bit of orange or other bright colors. Remember also that hunters have the "Right of Way," that is to say, we must give them the field. This is the agreement we have with the State of Pennsylvania for the use of the field for the better part of the year. Thank you!

# Happy New Year!

Fly safely this flying season! Please observe both the club rules and regulations, as well as those of the Academy of Model Aeronautics posted at the Field

## **Notice:**

A kind visitor to our field got in touch and reported that a pair of eyeglasses were found on the ground in the pit area. Plastic frames in an EyeLand case. They stated that they placed the glasses on top of the frequency pin box. Many thanks to the visitor for reporting this.

Any questions or comments  
should be directed to  
Scott King at:
