Cockpit Corner by Brian Sherman

Wow, what a difference a week makes. When I left my home in PA last Monday the trees were green and not a leaf on the ground. When I returned Friday evening everything had changed to the bright autumn colors and half the leaves were on the lawn thus signaling the final weeks of the 2014 flying season are upon us. I am pleased to report that annual club picnic was enjoyed by all with a great variety of foods supplied by the members. Check out the picture of picnic table crowd. How many people can you identify?

In retrospect the club had a good season all around. The field and surrounding areas have never been in better shape, great new signage was provided courtesy of Bill Magerman, our first Wounded Warriors event was well attended, new membership is on the rise and

The BFMS October meeting is scheduled to be held at the bar and tavern at the cross roads of Pohopcco & Penn Forest Rd (the road to our field). Come join us for some good food and the meeting. If the weather is nice, bring your planes to fly after the meeting. (Outdoors please!)

Until next time keep the cockpit up and be safe.

Hats For Sale

Scott Voth is the person to see if you are interested in a new club hat. The cost is \$10.00, the price the club paid to have them produced by Valley Athletic Supply Co. of Lansford.

The two styles were decided upon by the members present at an earlier meeting this Summer.

Get your new hat at the next meeting. If you are like me, it is time for a new one because the old hat is sweat stained, and the “oil needs changing.”

Scott now has a few to sell since he picked up the new order.

Caution: Hunting Season

Remember fellow Radio Control flyers that we are guests in the park. At this time of the year, hunters have the right of way. Please wear some orange if you intend to fly at the field. If hunters are present, they have the field, so to speak, that is, do not attempt to fly.

Next Meeting

At the last meeting in September, it was decided by those present to try a new meeting place, The Beltzville Bar and Grill. It is closer to the field, and under new management. We have been assured that we will be welcome, and that the food served is very good.

The Beltzville Bar and Grill is located on Beltzville Road just south of the stop sign where you turn heading toward our field (Pohopoco Road). It is on the right after the second stop sign if going south, and on the left just before the first stop sign driving north.
