COCKPIT CORNER – by Brian Sherman, did4ways@aol.com

WELCOME to 2019! Your club officers, wait a second, are their club officers? Well I'll get to that in a minute. The club extends its best wishes for a Happy, Healthy and Fun-filled New Year.

Christmas was a fun time for me, Randy and his Regina as we were able to spend the holidays with his daughter's family in Virginia. The daily temperature ranged in the low 50's – low 60's. Great flying weather. And fly we did. Santa delivered a couple of Parrot Bee Bop 2's to my niece's boys. Notice the good posture, focus and intensity! -☺ I hope you and yours are pre-flying your aerial vehicles now too. Flying weather is not far off.

Now back to that pesky subject of club officers. Due to the lack of turnout for the December meeting the quorum needed to conduct the vote was not present. Therefore in their last act for 2018 the attendees made a motion (which was seconded and approved) to postpone the election to the Jan'19 meeting.

(We are hoping that the lack of attendance had more to do with the late publication of December's edition of Whirlwind and the fact that the first Saturday of the month fell on 12/1 so it seemed like only one week in December rather than a lack of interest in the companionship and food @ Platz's. ☺)

BFMS's newest member toast Scott, Scott and Brian for showing up.

See you at Saturday's meeting!

Until next time keep the cockpit up and be safe.
