COCKPIT CORNER – by Brian Sherman, did4ways@aol.com

The club officers thank everyone for their participation and contributions to the annual picnic. I think we had more attendees at the picnic than at the Fun Fly. Maybe because of Ron's "Super-Secret Marinade Rub". Despite multiple requests, bribes and cajoling, Ron is keeping his "super-secret" secret. Where are those White House leakers when you really need them?

The weather is turning decidedly colder and hunting season has started. Please be sure to be cognizant of hunters in and around the field and always give them the right of way. Not only is it required under our park use agreement but also is just common safety sense.

Nominations for 2020 club officers will take place at the November meeting. The current officers really need your help to volunteer for one or more of the positions. In particular, the President's position. In 2020 I will be relocating to Virginia (date not yet determined) and will be busy preparing for that move. After the move I will be unable to fulfill the duties and responsibilities of the President's role.

Below for your enjoyment are some pictures of the 2019 club picnic. Until next time keep the cockpit up and be safe.

October BFMS Meeting Location: The weather looks like it will be in the mid-60's Saturday, overcast but dry. Accordingly, the meeting will be held at the field. In the event of rain, we'll post a sign at the field to meet at Platz's.

Any questions or comments
should be directed to
Scott King at:
